

Studio Art Grading Policy & Rubric

Studio art classes for the upper grades are developed to help the student:

1. Observe detail and thereby understand what they are looking at.
2. Grow in the skills necessary to create artistic works.
3. Appreciate art works of artists throughout history.

Project Rubrics

| Completion/Organization | Effort/Work Ethic | Skill/Engagement |
|---|--|---|
| Effectively follows directions and completes the project | Shows appropriate effort and focus on the work of the project | Demonstrates a natural increase in skill by applying instruction, feedback, and practice |
| 5 Points | 5 points | 5 points |
| | | |
| 5-Completes project following all directions | 5-Consistent effort throughout project | 5-Seeks to improve skill by engaged application of instruction and feedback |
| 3-Completes 75% of the project following most directions | 3-Inconsistent effort | 3-Somewhat seeks to improve skill by some application of instruction and feedback |
| 1-Completes 25% of the project | 1-Distracted and disruptive | 1-Does not seek to improve skill, engage in or apply instruction or feedback |
