Student Enrollment Commitment 2020-2021 School Year

I hereby enroll my child(ren) in St. Thomas School and agree to the following terms:

- Parents take responsibility as the primary spiritual formators of their child with weekly attendance at Sunday Mass as the foundation of their Catholic spiritual life.
- Parents take responsibly as the primary educators of their child by monitoring and supporting their completion of all assigned home academic work in a timely manner and participating in parent-teacher conferences.
- All adults take responsibility for the communion of respect and care of the St. Thomas community of families, faculty and staff by avoiding all gossip, divisiveness or disrespectful communication. Concerns are brought to the teacher or administration with a problem solving mindset.
- Parents take responsibility for the success of our St. Thomas School educational mission by volunteering both time and talent by serving in the classroom, on school improvement teams, and sponsored school wide events.
- St. Thomas Catholic School requires a non-refundable registration fee of \$250.00 for new families and \$150.00 for returning families to be paid at the time this enrollment commitment is signed.
- Tuition payments are made through the FACTS system and parents will fulfil the payment schedule selected. All previous school year financial obligations will be paid in full before the start of the school year. One-tenth of the yearly tuition is due in August by the date you choose for your plan and the final payment needs to be paid by that same date in May. A FACTS annual enrollment fee of \$45 will be reflected in the FACTS statement.
- Students arriving before 7:30 AM or remaining after 3:30 PM will be supervised by the Extended School Program. Parents will pay for any incurred ESP services which are billed on a monthly basis at a rate listed in the Parent/Student Handbook.

I understand that by signing this commitment I agree to accept the rules, policies and regulations of St. Thomas School Parent Handbook.

Please sign and return to school with your enrollment packet.
