School Mission Statement

St. Thomas the Apostle Catholic School exists to form disciples of Jesus Christ. Educating in the Eucharistic culture and classical intellectual tradition of the Catholic Church, students are led to encounters with the transcendental good, true, and beautiful. In wonder, confidence, and virtue, students are prepared to engage our broken world for the glory of God, the good of others, and for their own sanctification.

Miss Cullen's 2nd grade students continue to prepare for their First Communion by making their own monstrosity with Jesus truly present in the Blessed Sacrament and learning how He has each one of us in His heart.

Mr. Stokes' 6th and 7th graders conduct a mathematical investigation into the number π by measuring the diameter and circumference of a circle by hand and then calculating the ratio of the circumference and diameter.
