# Koplin Cabin, Higgins Lake

- **Description:** Built in 1922, our cabin has been in the family for almost 60 years. We are excited to share a long fall weekend with the St. Thomas family to help build the scholarship fund! We are offering 3 nights of your choice any date after September 19th. Fall colors are spectacular and it is very peaceful up there! There are also u-pick pumpkin patches in Traverse City and Gaylord (~1h drive away) and just 15 minutes away you can check out a live pumpkin trebuchet at Wellington Farms!
- This is an original Michigan up north cabin – and although it has modern amenities (e.g., a dishwasher) it is still its original size. Therefore, we ask that occupancy be kept around 4 people (ideally 2 adults maximum). The cabin has two bedrooms (both with double beds) and a pull-out sofa that can also sleep two in a pinch.
