ST. THOMAS THE APOSTLE CATHOLIC SCHOOL EVENT SPONSORSHIP OPPORTUNITIES

Dear Family, Friends, and Supporters of St. Thomas the Apostle School,

I would like to invite you to support our school's Green and Gold Gala on April 5 th, 2025. This event provides an excellent opportunity for your family or business to make a significant and targeted impact on our school and its continued growth.

A vital apostolate of St. Thomas Parish, St. Thomas the Apostle School offers a classical Catholic curriculum, inviting practicing Catholic families to partner with us in helping young people pursue what is true, good, and beautiful and to fall in love with Jesus Christ.

This coming fall, our classical Catholic school will add a 12 th grade and become a full PreK–12 parish school. Our growth project is providing a unique opportunity to families and students in the Ann Arbor region to experience a rich, integrated, and authentically Catholic education from preschool to high school graduation.

We are excited to engage in this endeavor and invite you to join us in two closely related efforts: 1) to continue to increase our scholarship funds and 2) to work toward attracting and retaining excellent, faith-filled teachers. The first effort is part of our commitment to make this school and its rich formation affordable for every family and student that truly wants it. The second effort stems from our firm belief that excellent, faithful, and committed teachers make an excellent, faithful, and committed school for our students.

I look forward to the possibility of your involvement in the Green and Gold Gala and the opportunity to showcase our gratitude for your support. As you discern partnering with us to make a lasting difference for our students and teachers, please review the sponsorship levels and reach out to me directly if you have any questions.

In Christ,
